DISASTER SERVICES UPDATE 8/10/12

TROPICAL STORM DEBBY

In late June, Tropical Storm Debby flooded thousands of homes, washed out roads, opened up sinkholes and closed a section of Interstate 10 — the state's main east-west highway. Four people were killed in the storm. In the Tampa area, more than 20 sinkholes opened up from the flash flooding. Water was up to the roofs at some homes in low lying areas of Live Oak, Fla., on Wednesday. Several feet of water remained around businesses in downtown near the courthouse and many roads were impassable.

LAKE CITY, FL

NEW AmeriCorps NCCC Southern Region

August 11th

River 10, a 10 member team will be deploying August 11th to Lake City, Florida, to support the work of Lake City Regional Office of Catholic Charities (in partnership with Columbia County Emergency Management), performing mucking and gutting operations in flooded homes, as well as delivering disaster recovery information door-to-door, and cleaning any remaining debris in neighborhoods. River 10 will be deployed until September 7th.

WESTERN WILDFIRES

Approximately 200 AmeriCorps members and RSVP volunteers deployed to fight wildfires, manage volunteers and donations, operate emergency shelters, and support call centers in Colorado, New Mexico and Utah since late June. Members of AmeriCorps NCCC, AmeriCorps VISTA, AmeriCorps State & National, and RSVP programs are working with federal, state, and local government agencies, the American Red Cross, the United Way, Adventist Community Services, and other organizations. Additional teams are being deployed as conditions evolve.

FORT COLLINS, CO

AmeriCorps NCCC Southwest Region

August 6th

Fire 9, an eleven member team has deployed to Fort Collins to assist Adventist Community Services with donations distribution center operations. Fire 9 will provide center operations maintenance and will assist in expanding the distribution center to provide greater services to the community. This team has extended their term of service in order to serve the Fort Collins community. Fire 9 will end their deployment and their term of service on August 28th.

RSVP

July 30th

In July, 16 RSVP members with 3 Partner Agencies (American Red Cross Centennial Chapter, Catholic Charities of Denver, and Habitat for Humanity) have worked in a direct-response capacity to assist evacuees and survivors of the High Park fire, providing vouchers, case management, necessities, and cleanup.

In addition, 39 RSVP members with a number of other Partners have been working in an indirect response role, working behind the scenes to support organizations who have stepped up to fill in service gaps and provide necessities to evacuees and first responders. The agencies include: HELP International, House of Neighborly Service, Food Bank for Larimer County, Salvation Army, and Bellevue Senior Center.

RSVP has joined the Long Term Recovery coalition in Fort Collins and this effort will have a more comprehensive case management system to track unduplicated clients receiving services from multiple agencies. We should also be able to more easily track how many clients are served by RSVP volunteers working on long-term recovery, whether through one-time projects or as case managers.

Opportunity to Increase Disaster Services:

Senior Corps Grant Competition Open

Many of you work with RSVP programs so we'd like to note that the Senior Corps RSVP grant competition is now open. For more than 40 years, RSVP has delivered proven results and engaged millions of Americans age 55 and over. More information on Senior Corps Disaster Services Focus can be found here: http://www.seniorcorps.gov/pdf/2012_rsvp_disaster_nofa.pdf

In 2009, Congress passed the Edward M. Kennedy Serve America Act (SAA). This landmark law expands service opportunities and required a competition for the RSVP program, the first in its forty years existence.. This grant competition means that Senior Corps is directly link funding to local impact.

In alignment with the SAA and the CNCS Strategic Plan, this Senior Corps RSVP Notice focuses grant making for fiscal year 2013 on six focus a areas identified by SAA:

- Disaster Services
- Economic Opportunity
- Education
- Environmental Stewardship
- Healthy Futures
- Veterans and Military Families

CNCS seeks to fund organizations that can demonstrate community impact and solve community problems through National Performance Measures in the focus areas listed above. The full text of this Draft Notice can be found at www.seniorcorps.gov/for_organizations/funding/nofa.asp. CNCS will host technical assistance calls to answer questions about this funding opportunity including how to apply and information about the new performance measures. Calls will take place on August 27 and 28, September 18 and 26; and October 2. Call details and registration can be found on the page with the Notice.

Corporation for National and Community Service

Additionally, on August 14-16, 2012, Senior Corps will host a national virtual conference to highlight the new performance measures for Senior Corps grantees. Organizations interested in sponsoring RSVP programs are encouraged to attend this conference. The conference is free and open to the public. To register for the conference visit www.nationalserviceresources.org/scvirtualconference.

Passcode: Think Tank

Captioning: Individuals who would like to access the captioning for this event may do so by following this link: <http://fedrcc.us//Enter.aspx?EventID=1995294&CustomerID=321>

The FEMA Think Tank is a forum to engage the whole community, connect resources and share best practices, and develop solutions to the challenges we face in emergency management. Featured topics have included new technologies in emergency management; disability integration; the importance of integrating healthcare, public health and emergency management; and our most recent call which highlighted how the emergency management community engages public-private partnerships and building for the future.

The focus of this month's call is a unique opportunity to discuss the role of faith-based and community organizations in advancing the whole community approach to emergency management. The relationships of these organizations with the Federal Disaster Recovery Coordinators as part of the National Disaster Recovery Framework and with emergency managers at the local level are important aspects of the dialogue around creating mutually beneficial
